O R D E R

On September 26, 1995, Paul and Frances Mize filed a complaint against Barnesburg Water Association, Inc. ("Barnesburg") concerning their water service and supply. Barnesburg was directed by Order to Satisfy or Answer the Complaint. Although Barnesburg's answer, filed on November 6, 1995, alleged to have satisfied the Complaint, the Mizes informed the Commission that in fact the Complaint has not been satisfied. While Barnesburg is not recognized as a utility entitled to file applications with the Commission, and can no longer validly construct, borrow money, or raise rates,¹ until such time as it has completed its merger with South Eastern Water Association, Inc. as ordered by both the

Commission and the Franklin Circuit Court, it has a duty to provide continuous and adequate service to its customers.²

IT IS ORDERED that Barnesburg shall file the original and six copies of the following information with the Commission with a copy to all parties of record no later than March 4, 1996. Barnesburg shall furnish with each response the name of the witness who will be available to respond to questions concerning the information requested at the public hearing scheduled for March 6, 1996.

Provide a pressure recording chart showing the actual 24-hour continuously measured pressure available to the Complainants' at their meter at 115 Miller-Mize Lane for seven consecutive days. The pressure recorder is to be placed at the Complainants' meter. When the pressure recording chart is provided, identify the seven day period recorded, confirm the exact location of the pressure recorder, and identify the sea level elevation of the recorder.

Done at Frankfort, Kentucky, this 15th day of February, 1996.
